### About Me

I'm a Mern Stack developer based in Kochi , Kerala curious to learn more about developing scalable distributed systems , loves problem solving and cares about writing readable as well as maintainable code

### Personal Projects

#### CLARKS-E-COMMERCE WEBSITE

06/2023 -06/2023

My shop is an e-commerce website that allows customers to browse and purchase products online. The website features a user-friendly interface ,a secure payment system and advanced search .

customers can create accounts ,track their orders status.

Developed using Node.js ,Express.js ,EJS and MongoDB. Built majority of the functionalities of an ecommerce platform such as product view ,cart ,wishlist ,address management,coupon.

Implemented secure payment gateway integration with Razorpay and Cash on Delivery(COD) methods.
